

PORTABLE TECHNOLOGY CENTER

The Leapster™ Grade 2 learning cartridge includes six instructional themes and four additional themes that balance educational content with fun. The system adapts during student use to meet individual needs. The Student Practice Book features four levels that parallel the content

of the Leapster Portable Technology Center (Leapster PTC). The Practice Book allows students to demonstrate mastery of the curriculum. The table below describes the skills found in each level, organized by theme, as well as the skills found in the Practice Book.
