Give your students materials they can't wait to use and the skills and strategies they need to succeed!

The award-winning Read-It-All Summer program is a proven effective, technology-based program for systematically improving the reading achievement of struggling and reluctant readers in grades 3–6. Aligned with NCLB, this interactive program will engage even the hardest-to-reach students.

Research-based:

Focuses instruction in areas of need as determined by leading research, including comprehension, word-solving, vocabulary and fluency development.

Proven Effective:

Raises reading achievement in key areas. View Discovery Bay study at www.LeanFrogSchoolHouse.com/RIAS

Interactive:

- 18 interactive books (6 copies of 3 titles) provide integrated skill and strategy development.
- 45 Interactive skill cards (3 copies of 15 cards) provide direct instruction and corrective feedback.
- 6 Quantum LeapPad® personal learning tools (PLTs) with headphones, AC adapters, and batteries.

Easy to use:

The planning guide provides lesson plans for up to 150 minutes of daily instruction for four-to-six week programs.

The teacher's manual provides additional lessons and projects that create reading and writing connections.

Measurable:

Pre- and post assessments illuminate student progress related to specific skills and strategies

“My students are so jazzed about the high interest material in this program!”
